Dear Ms. Dortch,

Based on recent clarifications contained in the Wireless Emergency Alerts (“WEA”) Second Report and Order (FCC 18-4), and pursuant to 47 C.F.R. § 10.210 of the Federal Communications Commission’s (the “Commission’s”) rules, PRWireless PR, LLC d/b/a PR Wireless (“PR Wireless”), hereby updates its WEA election status.¹ By this filing, PR Wireless elects to participate “in part,” as defined in Section 10.10(l) of the FCC’s rules, in the provision of WEA and agrees:

- to transmit such WEA messages in a manner consistent with the technical standards, protocols, procedures, and other technical requirements implemented by the Commission; and
- to support the development and deployment of technology for the “C” interface, the CMS provider gateway, the CMS provider infrastructure, and mobile devices with WEA functionality and to support the CMS provider selected technology.

If you have any questions, please contact the undersigned.

Respectfully submitted,

¹ Due to changed circumstances associated with the company’s transition from the Open Mobile legacy network, PR Wireless is filing this letter now to reflect its current participation in WEA.
